

This is a questionnaire from **Old Rayne School's Pupil Council**. We are a group of Primary 4-7 pupils who represent all the pupils in the school. The group works on improving the school with our head teacher. This term we are working on improving the **Old Rayne School Community Café** so we can raise more money for our link school in Malawi. We also want to be able to provide a really nice place for the community of Old Rayne to meet, chat and to have a Fairtrade cuppa and a fancy piece. To do this **we need your help**. We want to find out what you would like from the café so we can give the community what it wants. Please return your completed questionnaire to the school via your child or drop it in the letter box at the school at the bottom of the steps by Monday 8th March. Thank you for your help, we really appreciate it. (Parents - A copy of this questionnaire is on Glow and ORCA websites)
